Schedule of Charges and Repayment Policy

1. Scope

This schedule applies to all Personal Loans, Business Loans and Two-Wheeler Loans disbursed or serviced by Udaan Credit Finance Ltd. from 01-Apr-2026. It supersedes Version 2.1 dated 15-Jan-2025.

2. Repayment and due date

EMIs are payable monthly on the due date recorded in the loan agreement. A grace period of 3 calendar days after the due date is allowed before late payment charges. If the due date falls on a bank holiday, NACH presentation happens on the next working day and no late charge is levied for that delay.

3. Charges

Late payment charge: 2% per month on the overdue EMI, calculated daily.
Bounce / dishonour charge (NACH, cheque, e-mandate): Rs. 590 per instance, GST inclusive.
Duplicate statement: Rs. 200 + GST. Duplicate NOC: Rs. 500 + GST.
EMI date change: Rs. 0 (first request); not permitted more than once per tenure.
Foreclosure (fixed rate, after 6 EMIs): 4% of principal outstanding + GST.
Foreclosure (floating rate, individual borrowers): Nil.

4. Promise to pay (PTP) rules for reminder calls

A customer may commit to pay on any date up to the end of the grace period without approval. A commitment beyond the grace period must be recorded as 'PTP - beyond grace', the customer must be informed that late payment charges and bureau reporting may apply, and the case is flagged for the Customer Assistance team.
Reminder agents must not waive, reduce or promise reversal of any charge. Waiver requests are reviewed only by the Customer Assistance team within 5 working days.

5. Hardship and restructuring

Customers reporting job loss, medical emergency, business disruption or natural calamity may be offered a review by the Customer Assistance team. Options include a one-time EMI date shift, a payment plan for overdue amounts of up to 3 instalments, or tenure restructuring. No option is guaranteed until approved.

6. Payment in cash

Cash is accepted only at branches or by authorised collection staff carrying an Udaan ID card and issuing an instant e-receipt. Customers must not pay cash to anyone else.
